THE > SUPER-MONEY-SOURCE <

This special program is acquire copyrighting-protected, only with the participation you the copyrighting at this program. Prohibited utilization leads to the notice!

THE > SUPER-MONEY-SOURCE <

In this program, there is really money.

1200.- Euro / dollar and MORE are in only 3 weeks possible with only 5 participants!! Example, you get Euro of 125 people ever 10 = 1250 .- Euro

And that in only 3 weeks!!

The idea behind it is conceivably simple:

Everything what you must do, is to be passed along this letter cost-free.

With lightness, you found have 5 people, that also interest like you, to earn money. Each of these 5 becomes now further 5 people in that game bring.

Now you will say "know I already". INCORRECTLY!! Draw lots further..

Most systems well known me cover many plains (5 or more and offer nothing) what has decisive disadvantages:

- Very long running times - very many participants - through it high danger, that itself the system not functions.

But this system necessarily only 3 plains (if each ONLY 5 new participant bring into the system, not many people, or?)

- 1st plain - your 5 participants
- 2nd plain - its 25 participants
- 3rd plain - its 125 participants

THE > SUPER-MONEY-SOURCE <

THE > SUPER-MONEY-SOURCE <

We give now each participant a week time, the third plain is reached in only 3 weeks, what means for you "pay day". Here, you are now out of the game with 125 x 10 Euros on your account (1250.- Euro) now it first exciting, draw lots further..

You received now money of approximately 125 people and wait now a month off.

Now you write down these 125 people and start that>> systems 2 << (> SUPER – MONEY – SOURCE <)

That you get previously per mail.

These 125 people will join in everyone again because they got now also already money, and also the > SUPER-MONEY-SOURCE < have want in order to earn yet more money.

Only with the registration / participation receives each participant > SUPER – MONEY – SOURCE < and how to use.

Frauds go empty out of!!

You do not start therefore in the first plain with 5 participants, but rather with>>> 125 participants. Mal.. calculates now.

Further to the concept... What we require now, is a fast and simple possibility to transfer money, for in the internet, all goes quickly.

We need an "internet bank". The solution is PayPal.
PayPal has presently over 78 million customers and offers the certain transfer of money into 56 countries simply per e-mail address.

1. Open in PayPal a BASIS PREMIUMS – ACCOUNT in order to receive also credit-cards-payments.

click up: <https://www.paypal.com> , and choose your COUNTRY,

(should that Link not active, would copy it please into your browser)

2. Send 10 Euros at the first e-mail address standing at position 1 per PayPal.

(In – use – reference – write / select you "service",
in – E-Mail – reference – write you "MAIL-LIST").

Position 1 > geldkonzept@xxxxxxx
Position 2 > bestwaybook@xxxxxxx
Position 3 > ecashmail@xxxxxxx

THE > SUPER-MONEY-SOURCE <

3. Copy this letter, open your letter program (editor) and join the letter there on.

The mail-address behind position 1, back deletes now you now the mail-address behind position 2 towards the top and also the mails -address of position 3 around a place towards the top.
Position 3 is now empty - here carry you your mail-address a (the same like in PayPal)

IMPORTANT: work exactly at this instructions!! - This system only so can bring also the desired success.

And to the end yet..
store your updated mail - letter now off. Would send it per E-MAIL or construct it into your web page on. Would make this letter for example, through free classified ads in the network confessed.

Your success stands nothing more in the way, andthink about now, the 10 Euro always perhaps already soon
100-fold or 1000 - specialty you return, and with the > SUPER - MONEY - SOURCE < yet more.

start also now. Much fun and success
