There isn't a built-in one. Try this:

Function NoSpaces(ByVal s As String) As String

```
Const WHITESPACE = " "
```

```
s = Trim$(s)
```

```
Dim p As Long
```

```
p = InStr(s, WHITESPACE)
```

```
Do While p > 0
```

```
    s = Left$(s, p - 1) & Mid$(s, p + 1)
```

```
    p = InStr(p, s, WHITESPACE)
```

```
Loop
```

```
NoSpaces = s
```

End Function
