Hi,

Check <http://office.microsoft.com/templates/>

There maybe an existing template available.

"Microsoft Security Announcement: Have you installed the patch for Microsoft Security Bulletin MS03-026? If not Microsoft strongly advises you to review the information at the following link regarding Microsoft Security Bulletin MS03-026

<http://www.microsoft.com/security/security_bulletins/ms03-026.asp> and/or to visit Windows Update at <<http://windowsupdate.microsoft.com/>> to install the patch. Running the SCAN program from the Windows Update site will help to insure you are current with all security patches, not just MS03-026."

| My company has asked me to create a "Debt Collection"
| database that can track debt, payments & send reminder
| msgs to managers about who they need to contact on that
| day.

| I'm a basic Access user; can Access do this? Is there a
| package that already does this (I don't want to reinvent
| the wheel)?

| Thanks for your help.
