Think about this one?

They offer some of the best premium newsgroup access anywhere.
One thing I love about them, they don't keep log files of the news I read or files I download.
Images, video, mp3 music, the real news from around the world... it's all inside waiting for you.
Great prices and support await you as you travel into the beautiful world of premium nntp access.
Take a look at all the great features below and imagine! You'll LOVE it.
They give you access to some of the best groups others may not carry.
You can find almost anything you are looking for.

2,000,000 new posts each day
800 GIGS of new multimedia content each day
