Kindly let me, what are the core exam I need to complete in order to pass MCAD?  
I would like to take Exam MCAD before March 2009, but some core exam  
70-306, 70-316 & 70-305, 70-315 all going to retire in March 2009, can you  
advise me, what core exam I should take, but I am well prepared in 70-306 &  
70-316. thanks
