Hi All,

I am working as a web developer from past 1 year and I want to take the Microsoft 70-305 exam.

1)can anyone tell me how much time will it take to prepare for the test.

2)and also I dont have any .Net experience my experience includes in classic ASP.

3).can I reschedule the test date or can I take an open date for taking this test.

4).what is the best material to prepare for the test and is there any syllabus I have to follow.

please help!!!

Thanks,
radha
