true story:

Someone in my office has decided it would be fun to re-brand me as Neo instead of Neil. funny, funny. I'm gonna wear my long coat, dark glasses and kick you lilly white @\$\$ on the plus side he went to the local Bulk Barn and bought a TON of blue and red M&Ms, placed them in my (at the time) empty candy jar (no not JaR) and pasted that quote on the jar (no not JaR). They lasted for about 20 minutes...like Kat, I like chocolate...
