After you take the exam you will get a print out of your score. Once you get toy certs, it does not display a grade, score, GPA or otherwise, just that you've obtained the cert.

HTH,
Derek

Hi Everyone,

1. Do the transcripts display a grade with each exam or an overall grade/GPA
or do they only display exams that were passed?
2. Can you request a transcript with grades?

Thanks in advance.
marc
