Cheater.

I've lost access to MCP site.

Has this happened to anyone else?

I forwarded a mail from someone asking me for a brain dump (dumb ffuucckk), maybe I've lost my hem See Pee status because of this?

I called MS and they escalated the case, what ever that means. They promised me a mail with contact and status, but what do you know... no mail for me.

So I'm complaining here. I hate it when people complains, so this is eating on my self worth.
