Hi Walt

Set Custom to 3 – dtpCustom and CustomFormat to h:mm to display time
And Updown to True in the properties

More info on MSDN

<http://msdn.microsoft.com/library/default.asp?url=/library/en-us/shellcc/platform/commctls/datetime/datetime.asp>
and
<http://msdn.microsoft.com/library/default.asp?url=/library/en-us/shellcc/platform/commctls/datetime/reflist.asp>
