OK, I found a resolution that works (thanks to Paul S).

Re-register these ocx & dlls.

```
regsvr32 /u "C:\Program Files\Common Files\Microsoft Shared\Triedit\dhtmlled.ocx"  
regsvr32 /u "C:\Program Files\Common Files\Microsoft Shared\Triedit\triedit.dll"  
regsvr32 "C:\Program Files\Common Files\Microsoft Shared\Triedit\dhtmlled.ocx"  
regsvr32 "C:\Program Files\Common Files\Microsoft Shared\Triedit\triedit.dll"
```
