I've not had this experience

> have the good old "Bait & Switch"  
Ahh, yeah. The good old Bait & Switch. I fall for it every time.

> *instructionals*  
Oh yay! A new word.

>and I am fed up with looking.  
Crap! And you were so close.

>Thousands are fed-up  
Whoa, THOUSANDS???? !!! Could you provide a partial list of these teeming masses, yearning to make menus?

>something that should be so basic.  
If it's so "basic", why can't you do it?

PS – Kudos on the approach you've used to get help.
