... If you're using ADO, please learn to use it correctly.

I don't think you intended it as such but this seems a little harsh. The obvious retort from the OP would be "I believe that's what I'm trying to do: learn how to use it correctly."

Perhaps a pointer to the documentation at MSDN would be worthwhile for the OP:
<http://msdn.microsoft.com/library/en-us/ado270/hm/dasdkadooverview.asp>
