Good Morning Steven!

Yes, it's morning (8:36AM) here in the fair but polluted city of Toronto and I'm back to work! If my maths are correct you're 5 hours ahead of us.

Bognor Regis seems to be a very nice place for vacation; you must have had a lot of fun over there

I noticed that about the English language... This even more noticeable when you watch a show like Jerry Springer! You have heard of him, did you?

Have a nice day

Ninon
