Does Hotmail not take email at abuse@xxxxxxxxxxx and record the complaint? I would fwd as attachment the offending email scam or send the header. The poll keeps kicking back an error.

The server does not support the required HTTP methods. Account: 'Hotmail', Server: '<http://services.msn.com/svcs/hotmail/httpmail.asp>', Protocol: HTTPMail, Server Response: 'Method Not Allowed', Port: 0, Secure(SSL): No, Error Number: 0x800CCC35

.
