Contact the business from whom you purchased the software license.

How to ask a question: <http://support.microsoft.com/KB/555375>

After furious head scratching, Andreas Y. asked:

| I have purchased the OEM version of Office Basic 2007 which is  
| media-less. I don't have any way to find any cds and I don't want to  
| spend any money for this since I am doing the work in favor for free.  
| Is there a way to download the oem cd for free and use the purchased  
| keys ?
