To Bob Bucland:

Thank you so much!
That is exactly what I was searching for!

Sorry it took so long to reply.
I had given up on waiting for someone to reply to my post and decided to check again.
I am very glad I did.

I don't understand why I could not find that download when I was searching Microsoft downloads, using the correct file name.
I also search ALL of the Office 2000 downloads.

Again, Thank you from the bottom of my heart!

Nancy
