Microsoft has:

<http://office.microsoft.com/en-us/FX010383631033.aspx>

Follow the links there and you'll be able to order a Service Pack CD for your version of Microsoft Office.

NOTE: The "Office 2000 Service Release 1a, Service Pack 2, and Service Pack 3 CD ordering form" link doesn't work. I'm assuming that due to the fact Microsoft Office 2000 is so old, they are no longer offering Service Pack CDs for it.
