Hello, Eddy!

You wrote on Mon, 24 May 2004 21:01:34 +0800:

E> Is there a way to find out when exactly I read an email. The received  
E> date is not what I am looking for. I need to know the time and date I  
E> actually opened the mail. All my emails come from the exchange server  
E> at work. I also know that the sender of the email would know when I  
E> read the email if he/she has the "tracking" option on. My situation  
E> does not allow me to ask them, so ...

E> Please. It is a matter of life and death. Any ideas would be  
E> appreciated.

there is no way to confirm or verify whether you actually read the message  
or not  
hope this helps
