The availability information needs to be published. For people inside your Exchange organisation this is published to the Exchange server automatically and can only be accessed by people inside your organisation.

To publish your free/busy information to the Internet see;
<http://support.microsoft.com/kb/827775>

Tips of the month:

-What do the Outlook Icons Mean?

-Create an Office 2003 CD slipstreamed with Service Pack 1
