sir, i have created my account in outlook for my one email account and my account.

my problem is that i am receiving mail from all the mail server like yahoo mail, gmail, hotmail etc. but when i tried to send reply for the mail received from these mail server. i received this ERROR..

The following recipient(s) cannot be reached:

'yusufzaitahseen@xxxxxxxx' on 10/8/2008 10:33 AM
550 not local host yahoo.com, not a gateway
tell me the solution for this problem.
