It is just updates for WM2003 not WM2003 :(

However I find that I never use my PDA now so if anyone in the UK wants to buy a like new condition H4150, 256MB SD Card, proporta leather case, proporta hard plastic 'crystal' case, thumbpad and an OverlayPlus screen protector (1 on the PDA and 1 spare) for about £280 UKP go to <http://mpugh.co.uk> to get my email address and we can talk about it :)
