I am unable to customize my enterprise fields. I'm not sure why I am locked out. I tried logging in under another account "Administrator" but came up with the same issue. Anyone have any recommendations on what to do?

forgot to add : Project 2003 Prof and server. The Enterprise attributes are greyed out as well as the toolbar across the lookup tables.

are you sure of checking out the enterprise global? I guess am asking a silly question, though, this is my first one to ask?
