=====  
Posting your Word version and Publisher  
version might make it easier to get a solution.

Maybe these articles will offer some ideas:

(243237) PUB2000: Error Message: A Word  
Story Editing Error Occurred  
<http://support.microsoft.com/?kbid=243237>

(243579) OFF2000: Error Messages in Programs  
That Use Word 2000 with Norton AntiVirus Installed  
<http://support.microsoft.com/?kbid=243579>
