-

Hi Terry,

Thank you for the update.

You may right-click the site and select Explore in the IIS console and see if the site is related with the SMS DP. If so, you may delete it. Otherwise, I suggest you keep the web site. Have a great day!

Sincerely,
Jack Wang, MCSE 2000/2003, MCSA 2000/2003, MCDBA, MCSD
Microsoft Online Partner Support

When responding to posts, please "Reply to Group" via your newsreader so that others may learn and benefit from your issue.

=====
Business-Critical Phone Support (BCPS) provides you with technical phone support at no charge during critical LAN outages or "business down" situations. This benefit is available 24 hours a day, 7 days a week to all Microsoft technology partners in the United States and Canada.

This and other support options are available here:

BCPS:<https://partner.microsoft.com/US/technicalsupport/supportoverview/40010469>
Others:<https://partner.microsoft.com/US/technicalsupport/supportoverview/>

If you are outside the United States, please visit our International Support page:
<http://support.microsoft.com/default.aspx?scid=%2finternational.aspx>.
