Hi

I assume you are looking for group policy .adm files? In which case I don't think there are specific SQL Server and SMS server templates. The templates can be downloaded from

<http://www.microsoft.com/downloads/details.aspx?FamilyId=92759D4B-7112-4B6C-AD4A-BBF3802A5C9B&dis>

As as starting point I would look at running MSBA and acting on the report.
