Hi

Have a look at these threads:

[http://groups.google.ch/group/microsoft.public.windows.server.clustering/browse\\_thread/thread/2c9de0929d1f8016/6a](http://groups.google.ch/group/microsoft.public.windows.server.clustering/browse_thread/thread/2c9de0929d1f8016/6a)
