Hi

The URL is for books online that comes with SQL Server 2005. Sorry for the confusion. You can find the "online" version here

<http://msdn2.microsoft.com/en-us/library/ms142159.aspx>

Hi, Allan,

Thank you very much for the advice given. However the I could not open the url, Kindly resend, thanks.

Best regards  
SHERMAINE
