Hi all,

We are doing a survey to collect information on middleware usage and some features of the middleware. Through the survey data as one source of information, we can do research on middleware, and software engineering trend analysis and prediction.

Please take out some minutes to fill in this survey. Please this is really important survey.

Survey link:

<http://swtech.njit.edu/middlewaresurvey/>

Give little time to make this survey successful.

Thank you all

.
