```
dateadd(d,7*CONVERT(int,LEFT(CONVERT(decimal(4,1),DATEDIFF(dd,GETDATE(),'20030208')/7),2)), '20030208') as TestDate
```

Hi,

By itself, this works fine, since it yields a result. So the problem must be elsewhere. Please post more of your stored procedure.

Regards,

EB
