

Re: Covert %username% to hex in logon script

Source: <http://www.tech-archive.net/Archive/Scripting/microsoft.public.scripting.wsh/2004-11/0439.html>

From: name (nospam_at_user.com)

Date: 11/24/04

Date: Wed, 24 Nov 2004 03:30:07 -0500

I do not see a conversion script?

Anyone?

=====

Have you tried studying your wsh manual ?
