i come on here now and then,i see all the post.every ones having problems
with the defective vista..

Don't come here now and then. Post cause much stress in your simple life.

why dont you just let it go..why drive yourselves crazy..i am just leting
what dont work go.on mind..if i need to do things.i go to my older
computer.with xp on it..

You need medication if it drive you crazy. cry::cry::cry::

this blista.goes for up dates day and night..nothing changes..they cant
fix
it..if BILL GATES/ceo..was a decent and honest man,he would of done
something
for the people stuck.with this defective vista...

Bill Gates rich man. Bill Gates makes in 2 seconds what you might be able
to make in lifetime.

he would of come up with something.but what is the low life,scuze doing he
is running away with the billions he cheated,people out of.this country
does
not have a government,that will protect us,they protect the low lifes like
bill gates.

I Have answer for you

You should study insider trading. Attend college. No. Forget. Attend Nursery School. More your speed.

they go with the big dollars..but why dont you all just give up..wait un
till something comes up,and get rid of the vista.i was hopeing ubuntu was
the
answer..i cant figure that crap out...

They have big dollars. You never have big dollars. You only have a few
euros.

Start drinking
