Hi Bryan,

This appears to be a known issue to VS2005 IDE, I am afraid currently there hasn't a workaround for it , we just begin planning to fix this issue for the next version of Visual Studio and the .NET Framework, please refer to the corresponding bug report entry in our feedback center:

<http://lab.msdn.microsoft.com/productfeedback/viewfeedback.aspx?feedbackid=57798dbd-c5bf-49fa-ab37-46b53ed42427>

Thanks for your understanding!

Best regards,

Gary Chang
