Hi Jurgen,

I'm by no means an expert in this subject matter of setting up user's home folder and/or disk quota management, but I'll try to assist you to the best of my ability.

This article should provide you the information you're looking for to implement disk quotas.

326212 HOW TO: Manage Disk Capacity and Usage Using Disk Quotas in Windows  
<http://support.microsoft.com/?id=326212>

--

Hope this helps,

Mike Rosado
