hi again and thank you so much for your attention  
when i press enter, nothing occurs and it looks to hang and remain at  
that page and i must turn off the laptop (at the first when i take  
bootable cd in cdrom its run without any problem and check hard and  
copy files and when it ready for install ,it hangs the page that in  
that page it says :please enter to continue or press f3 to quit and  
press r for repair )  
could you please help me i am student master and i want win 2000 in my  
laptop please help me thank you so much
