Im trying to replace an older server with a new server.  
I have set the domain as the old one, added users etc and  
can logon onto the new server OK, but i keep getting the  
below message in the event viewer.

Event Type: Error

Event Source: NETLOGON

Event Category: None

Event ID: 5513

Date: 20/09/2004

Time: 10:50:52

User: N/A

Computer: SERVER

Description:

The computer CLIENT1 tried to connect to the server  
\\SERVER using the trust relationship established by the  
HEWLETT domain. However, the computer lost the correct  
security identifier (SID) when the domain was  
reconfigured. Reestablish the trust relationship.
