If Notepad.exe file is missing, then I would recommend you to use the sfc utility to restore the file. For a detailed description of the SFC utility, please visit the link given below:

<http://support.microsoft.com/default.aspx?scid=kb:en-us:310747&Product=winxp>

Also, you can visit the following link that has information on extracting a file:

<http://support.microsoft.com/default.aspx?scid=kb:en-us:310435&Product=winxp>

Srikanth N
