"...reduce my life to one browser..."

That's precisely what the folks in Redmond want ;-)

It worked that way when I tried it with Firefox. Oh well.

And Wesley Vogel responded:

I don't have Firefox. <shrug>

Ah, Grasshopper. You must know your opponent if you wish to face him.

I will say that IE7 has a lot of nice features; if only I could add—in some of the features I use regularly in Firefox, I could reduce my life to one browser, instead of two...
