Hi,

> Yes, I saw it working, but after everything, I only see light blue screen  
> with mouse, if I press Ctrl+Alt+del, I can bring up task manager.  
Strange.

> BTW, I delete and add some components, and I made a new image, how can I  
> update new image to CF????? Just copy and paste or I have to redo everthing?  
> Like fdisk, bootprep....

Delete files and copy new files. DO NOT fdisk, bootprep, etc again.

Regards,  
Slobodan
