torvalds and complain to

>him. IT'S HIS F'ING OS YOU MORON. Don't blame MS cuz he can't market and

>push his OS. That's nobodies fault but Linus Torvalds.

>

>If you want to bitch stores don't carry PC's with Linux, go complain to the

>manager. Or does that just make to much f'ing sense for you brainless?

You my dear Tom, with all of your incessant half crazed rantings in this thread, have completely and totally invalidated your own points by carrying on like a mad man. And I quote, "I don't feel like typing to you anymore because of the boredom..." Boredom, <snigger!> yeah, right Tom, boredom. PMSL!
