Before the MVP (M\$ Victim Poster) Hermes responded, Bruce Chambers typed:

- > *Greetings --*
- >
- > *You must purchase a separate license for each machine.*

Bruce, you have not completed this statement, so allow me to complete it for you.

"You must purchase a separate license for each machine..." IF you insist on being in license compliancy with M\$. You are otherwise not obligated to do so.

- >
- > *As it has *always* been with *all* Microsoft operating systems,*
- > *it's necessary (to be in compliance with both the EULA,*

I never knew there was more than one EULA. Figures M\$ would try to slip us the knob when it thinks we are not looking.

Windows XP crashed.

I am the Blue Screen of Death.

No one hears your screams.

Yesterday it worked.

Today it is not working.

Windows is like that.
