look at the false URL

The person knows your habits and hypothesised that it must be you. If I remember it was on the war and in the thread only my posts were pulled. I didn't identify you except for those who know who is who. I also chose my words carefully to elicit information not start a flame about you.

Though if I had have seen you online in the few days after I would have cancelled some of your posts. But you weren't online.
