If you have call waiting from the telephone company, there are third party programs that will take a short message when someone calls and play you the message, giving you the opportunity to go off line and take the call. There is nothing built into XP that will do that however.

Outgoing mail is certified Virus Free.

Checked by AVG anti-virus system (<http://www.grisoft.com>).

Version: 6.0.717 / Virus Database: 473 - Release Date: 7/8/2004
