:

: Only one exception?

I wasn't counting you in that statement. Obviously you have an issue with at least one MVP – perhaps that should be resolved outside this forum. But your preparedness to pass on your undoubted technical knowledge is appreciated.

The abuse I refer to comes from a Tick – and ticks should be treated as any parasite.

If there are others in the category, I am obviously to them. These groups are the greatest resource on the net – and they are free!
