Jupiter Jones [MVP] wrote:

Windows
Defender
will be free
for all
supported
operating
systems the
same as
currently
running
MSAS or
MD.
It is
included in
Windows
Vista at this

Re: Windows Defender (formerly windows antispysware) is out!

time and I
assume it
will
continue to
be.

Sure you
will be able
to buy
Windows
Vista and
get WD, but
WD will
still be
available as
a stand
alone
product for
free.

Time will tell. Personally, I
think MS is getting into the
security
business and it won't be
free, at least it won't be after
MS runs all
the AdAwares a
