| I am confused about wga.

|

| According to web sites, newsgroups postings. Wga will be mandatory or
| you system will not work.

|

|

| Other web sites and newsgroup postings said this is not the case.

|

| It concerns me that malfunctioning WGA could mess up bank computers.

|

| Microsoft does not communicate with other parts of the company another
| words their right hand does not know what their left hand is doing
| (legal disclaimer—Of course I could be wrong.)

|

Re: I am confused about...

| They have also said they would issue patches to disable Activation and
| other things after they stop support windows xp. (legal
| disclaimer—Of course I could be wrong.)
