How are you trying to reinstall windows 98? FYI there is a windows 98 newsgroup.

<http://www.microsoft.com/communities/newsgroups/list/en-us/default.as...>

im just using a copy of windows 98 i have

Sorry but that doesn't explain it. What kind of copy? Installation CD? Image file? Backup? How are you using this "copy"? And again it's best to post to a windows 98 newsgroup.
