Hello,

You're welcome.

That's right... that was it... I don't have it on this machine yet!

Thanks a bunch.

Dave

## Re: Shortcut name default format

Some time ago, I came across a setting which defined how a shortcut icon was created. I could uncheck or check a box which enabled or disabled the default "Shortcut to" wording when a shortcut was created. Now of course, I can't locate it. Can anyone help me turn that off?
