See: Start > Help & Support > Change the way All Programs opens from the Start menu

PS: Do yourself a favor and install TweakUI for WinXP =>

<http://www.microsoft.com/windowsxp/downloads/powertoys/xppowertoys.mspx>

Until you get the hang of WinXP, you might prefer posting to the WinXP New Users-specific newsgroup instead:

<news://msnews.microsoft.com/microsoft.public.windowsxp.newusers>

After just going from windows 98 to windows XP professional.

Now when I go "start" > "programs" at the bottom of the menu there is two arrows down, giving a reduced menu

How do you get rid of this crap? so I always have the full menu.

.
