download and run these be sure to update them

<http://www.lavasoftusa.com/software/adaware/> adaware

<http://www.safer-networking.org/index.php?page=download> spybot

<http://www.safer-networking.org/index.php?page=download> cwshredder

<http://www.spywareinfo.com/~merijn/downloads.html> some other usefull removal tools

also do a full virus scan
